

Confirmation of Intent to Exhibit – 2027 Edition

This email is to confirm your interest in exhibiting at Light + Intelligent Building North America 2027, taking place March 16 - 18 2027 at the Las Vegas Convention Center.

We're thrilled about your intent to participate and be part of the growing community of lighting and intelligent building professionals shaping the future of our industry. Your involvement contributes to an engaging and innovative show floor experience for all attendees.

Please note that this Letter of Intent serves as a preliminary confirmation of your interest and is not a binding contract for exhibit space. Our team will follow up once the official exhibitor application and floor plan are available, along with details on booth selection, pricing, and next steps to secure your space.

Thank you again for your enthusiasm and partnership. We look forward to working with you toward a successful Light + Intelligent Building North America 2027.
